<p>TOTAL COST</p> <ul style="list-style-type: none"> FLEXIBILITY: We have packaged the Hoops 101 Academy as part of the program to ensure that you are getting high-quality individual instruction to go with the team component. We know that it is a significant price to pay, so we wanted to be as transparent as possible with regard to cost breakdown. This is a final figure that can be managed and lessened through some of the following measures. <ul style="list-style-type: none"> PAYMENT PLAN: With PayPal, you can pay via installments or you can pay one lump sum. You can pay with credit card, check or cash. FUNDRAISERS: If a team parent is willing and industrious, we welcome any fundraising efforts that are appropriate and effective. Although we at Hoops 101 will not take part directly in fundraisers, we encourage any parent initiative. There are already parents who have expressed interest and confidence in being able to raise funds to lower the cost per teammate. HOSTING A TOURNAMENT: There is a chance that we could team up with a local organization to run or host a tournament in the area to help raise funds and lower the overall cost. TEAM PARENT: We will look for a team parent to help with coordination of clock and book keepers, travel arrangements and tournament scheduling as well. FACILITY FEES: It's important to note that a great portion of cost is attributed to gym fees. We are working hard to keep costs down by trying to find affordable gyms. 	<p>\$750 TOTAL</p> <ul style="list-style-type: none"> Initial Payment \$200 due after first tryout March 28. <p>Monthly installments</p> <ul style="list-style-type: none"> April 1 = \$200 May 1 = \$200 June 1 = \$150 July 1 = \$150** <p>Payable by credit card thru paypal, cash, check or money order to Hoops 101.</p>
